HTC ALUMNI AND FRIENDS UNITE TO COMPLETE SHAS FOR OUR CHAYALIM AND THE HOSTAGES AT HTC101 GALA

January 9th, 2024 marked a momentous occasion at HTC as alumni and friends gathered for the HTC101 Gala, celebrating 101 years of dedication to Jewish education and to the community. In an extraordinary display of unity and faith, one highlight of the evening was the completion of Shas as a zechus for the safety and wellbeing of our chayalim and the safe return of all the hostages.

"Completing the Shas is not only a personal or academic achievement; it's a spiritual undertaking," said Rabbi Shmuel L. Schuman, CEO of HTC. By dedicating this accomplishment to our chayalim and the hostages, we are sending a powerful message of hope, strength, and community solidarity."

HTC HOSTS INTER-SCHOOL ACHDUS BASKETBALL TOURNAMENT FOR JUST ONE CHESD

On April 16, HTC's Rothner Family Gymnasium was abuzz with excitement as 60 high school boys from eight yeshivas and schools across Chicago and the Midwest gathered for the Achdus 3-on-3 Basketball Tournament. Participating schools included Yeshiva of Minneapolis, Kesser Yonah, Ner Naftali, Fasman Yeshiva High School (FYHS), Ida Crown Jewish Academy (ICJA), New Trier, Lubavitch Mesivta, and Mesivta of Greater St. Louis (MTI). This lively event was not just about sportsmanship and competition; the funds raised went to support Just One Chesed in Israel, an organization dedicated to aiding our brothers and sisters in Eretz Yisrael.

Each player was given an HTC swag bag with a Dri-Fit jersey and other exciting swag, and everyone was treated to a grand BBQ dinner. The achdus was palpable as students from different schools played on mixed teams, uniting over their shared commitment to chesed and a love of basketball.

We are incredibly proud of all the participants for their enthusiasm and support. The tournament left every student with a sense of unity and chesed.

FYHS TALMIDIM DELIVER CHABURAS TO CLASSMATES

Fasman Yeshiva takes great pride in our successful year of chaburas! Throughout the year each talmid had several opportunities to deliver a chabura to his class. With the help of our dedicated Rebbe, Rabbi Haskell, each talmid delved into the depths of a sugya to develop, shape, and bring out his own points, sharpening his skills in learning be'iyun. Finally, each student delivered a chabura to his class that explained his analysis of the sugya. By learning and then sharing his learning, each talmid had the opportunity to advance his own Gemara and public speaking skills!

FYHS WINS FIRST PLACE IN KOHACK 2024 COMPETITION!

FYHS is extremely proud of our team of four brilliant students - Yosef Kostousov, Shmuel Kostousov, Eitan Goizman, and Aharon Levitt – who won first place at the third annual KoHack event, North America's premier Yeshiva High School Coding Hackathon, hosted by Kohelet Yeshiva.

Returning for their second year, our team showcased incredible skill and creativity in this unique computer "hacking" competition. Tasked with developing an innovative solution to combat the global rise of antisemitism, they conceptualized an app designed to empower Jewish communities worldwide. Over two intensive days, they engaged in brainstorming, coding, designing wireframes, and delivering compelling presentations, all while competing against nearly 10 teams from six schools.

Chaperoned by beis midrash student, Shua Spak, our team's success at KoHack 2024 is a testament to their dedication, talent, and the skills fostered at FYHS. We are incredibly proud of this huge achievement. Congratulations to our champions on their well-deserved win!

ROSH HAYESHIVA, RABBI MOSHE REVAH, USHERS IN NEW ZMAN OF GROWTH

If you walk into HTC's beis midrash on any given morning you will find nearly 75 students from our Kollel, Beis Midrash program and high school learning together in a packed beis midrash. This is a tremendous credit to the efforts of our new Rosh HaYeshiva, Rabbi Moshe Revah, shlit"a.

Back in October of last year, HTC formally welcomed and installed Rabbi Revah as our Rosh HaYeshiva and celebrated at a Hachtara on October 30th, 2023. Hundreds gathered in the Beis Midrash to welcome Rabbi Revah and wish him mazel, bracha, and hatzlacha in his new role. We wish our Rosh HaYeshiva tremendous continued hatzlacha as he brings tremendous growth to our Yeshiva.

SHABBOS OF INSPIRATION WITH MOSHE STORCH

In mid October, FYHS hosted an inspiring schoolwide Shabbaton. Friday night was kicked off with an uplifting Kabalas Shabbos, complete with dancing and singing, led by acclaimed singer and songwriter, Moshe Storch. The boys heard divrei Torah and chizuk from Rosh HaYeshiva Rabbi Moshe Revah, who put the Shabbaton in context amidst the war in Israel, explaining how we have the responsibility to dance and be b'simcha on behalf of those who are unable to. The boys participated in an oneg with Rabbi Aryeh Cohen, 12th grade Rebbe and Mashgiach of DRS High School. Shabbos day, the FYHS students were privileged to a special Mussaf led by Moshe Storch, preceded by a drasha from Rabbi Cohen. The boys had a shalosh seudos filled with singing and divrei chizuk. After Shabbos, the boys joined Moshe Storch for a special Melava Malka. After starting off the night with a powerful group Tehillim for our chayalim, the boys joined together in singing and dancing, a powerful way to end Shabbos.

HTC HONORS RABBI CHAIM TWERSKI AT THE HTC101 GALA FOR HIS 40 YEARS OF HARBATZAS HATORAH

On January 9, 2024, HTC held its annual gala at Ateres Ayala in Skokie. This year our Yeshiva honored Rabbi Chaim Twerski with the Lifetime Harbatzas HaTorah Award.

A truly gifted and dedicated Rebbe of Beis HaMidrash LaTorah for over forty years, Rabbi Twerski served as a rebbe in Fasman Yeshiva High School and in later years as a rebbe of the Semicha Shiur. He also instructed various classes of older students in hashkafa and ethics. Rabbi Twerski has also served as Rav of Bais Chaim Dovid in Lincolnwood since 1992. He is the shul's daf yomi maggid shiur, provides counseling and answers many halachic sha'alos and is very involved in numerous community endeavors. He and his wife Golda shep much nachas from their children, grandchildren and great-grandchildren. It was the Yeshiva's great honor and privilege to express its deepest appreciation to Rabbi Twerski for his years of harbatzas haTorah.

HTC WISHES A TZEISCHEM L'SHALOM TO RABBI CHAIM TWERSKI

On Tuesday, December 19th, alumni in the New Jersey area gathered at the home of Dr. Yosi and Lisa Fishkin to welcome our new Rosh HaYeshiva, Rabbi Moshe Revah, and wished a tzeischem l'shalom to Rabbi Chaim Twerski, who will be making Aliyah after 40 years of teaching at HTC. Participants enjoyed their evening reminiscing over a beautiful fleishig buffet and heard updates about the excitement happening at HTC. Rabbi Josh Zisook, Director of Alumni Affairs, opened the program, followed by Divrei Torah from the Rosh HaYeshiva and then Divrei Bracha by Rabbi Twerski. Special thank you to the Fishkins for opening their home to our Yeshiva!

Do you remember...

25 YEARS AGO: THE LIGHTNING STRIKE

Early Shabbos morning, February 27, 1999, Parashas Zachor, the Shabbos before Purim, the Yeshiva's chimney was hit with a bolt of lightning. The resulting explosion sent bricks through the roof and into the dorm and Kollel housing. Miraculously, no one was hurt.

As a result of the lightning strike, the dormitory facility was evacuated and ordered closed by the Skokie Fire Department. The shutdown lasted until nearly Pesach, and had a profound effect on both the Yeshiva and the community at large. From the Yeshiva's perspective, a lengthy shutdown of the dormitory posed numerous operational challenges that hampered its ability to function on a day-to-day basis. The community was struggling to provide an alternative site for the Yeshiva to continue to operate. Congregations KINS and Beth Itzchok rose to that challenge. More difficult was the task of housing and feeding the many displaced students, some as young as thirteen years old. Again, the community rallied behind the Yeshiva and provided unprecedented support.

The final match, held at the Weber Center in Skokie, was the highlight of a season that saw 84 players across 12 teams compete every Sunday night. Congratulations to EMJAY for their victory and a big thank you to all the participants for making this season truly memorable.

HTC REMEMBERS MR. SHELDON SCHAFFEL Z"l

They called him Coach, but he was so much more than that.

Hebrew Theological College mourns the loss of Mr. Sheldon Schaffel, a revered member of our community whose impact was felt across many facets of our institution – as a basketball coach, guidance counselor, general studies principal, parent, and fan.

Mr. Schaffel's journey with HTC began in 1973, when a friend recruited him to assist with the Yeshiva's fledgling basketball program. His passion for the game and dedication to coaching were immediately evident as he not only coached the team but also led them to their first tournament at the JCC. He continued as the coach until 1995, missing only a couple seasons in the late 1980s.

Though his arrival in 1973 marked his first experience coaching, Coach Schaffel, a former high school athlete himself, embraced the challenge wholeheartedly. "When I first met them, I needed to teach them some of the fundamentals of the game, but they were very enthusiastic and eager to learn," he recalled during an episode of the Yeshiva Show Podcasts.

Despite limited practice times, he ensured that his players were fundamentally sound, a dedication that paid off in memorable victories. One of Mr. Schaffel's most memorable moments at the Yeshiva, which he recalled at the HTC Alumni reunion in 2023, was the exhilarating first win against the Ida Crown Jewish Academy in 1981.

Beyond the basketball court, Mr. Schaffel's commitment to HTC extended into the classroom and administration. He first joined the high school team as a guidance counselor, and then, in 1996, he began serving as the Assistant Principal for the General Studies curriculum for the boys, and leading the faculty. One of his most underrated roles, however, was as a teacher of psychology, where he relished the opportunity to teach a class of all boys who were serious about their secular studies. His passion for education and his students was palpable and deeply appreciated by his students.

The 1986 senior class recognized Mr. Schaffel's profound influence by dedicating their yearbook to him, highlighting his role not just as a coach, but as a guidance counselor and a mentor who took a personal interest in each student. "He has taught the members of the team to play not as individuals but as one tightly-knit group," the dedication reads, a testament to his ability to inspire teamwork amongst his students.

Long after he retired from the bench, he was still a fixture at Yeshiva basketball games, cheering on the team from the stands. Mr. Schaffel retired from HTC in 2009 and later made aliyah with his wife, Cookie.

"Mr. Schaffel was a huge positive influence on my life," said HTC CEO Rabbi Shmuel Schuman, who played two years for Coach Schaffel on the varsity team, and then later worked alongside him as a colleague at the Yeshiva. "He was the consummate mensch and taught us so many fundamentals of not just basketball but what it means to work hard, how to treat everyone with respect, and to be genuine. Those lessons inform my choices and actions until today, and will for the rest of my life.

"He cared deeply for his players and the students," continued Rabbi Schuman. "Beyond his contributions on the court and in the halls of the Yeshiva, he exemplified the life of a Torah-committed Jew making a difference in his community. That is precisely HTC's mission, and he exemplified that."

Mr. Schaffel's passing is a significant loss to the HTC community. He leaves behind a legacy that shaped the lives of countless students. As we remember Mr. Schaffel, we extend our deepest sympathies to his wife, his children, alumni Rabbi Mark Schaffel and Rabbi Gershon Schaffel, Tzina Stein, Caryn Gerech, and Jordana Epstein, and to all who knew and loved him. His memory will undoubtedly be a blessing for the many lives he touched.

A RECAP OF HTC'S ROTH&CO ALUMNI TOURNAMENT AND FAMILY FUN DAY

What a fantastic day we had at the HTC campus on May 6th! We're still buzzing from the energy and spirit of community at our Roth&Co 3-on-3 HTC Alumni Tournament and Family Fun Day. Thank you to the 50 players who competed on the court and the hundreds of guests who joined us to enjoy a beautiful day full of activities, food, and fun.

Special thank you to our lead tournament sponsor, Roth&Co, and corporate sponsors, LifeStudio Group and Warrior Group, for bringing the Rothner Family Gymnasium alive with competition and camaraderie as teams showed off their skills and sportsmanship in the tournament. Congratulations to Efrayim Prero, Gavi Domskey, Sammy Dordek and Issac Gordon on taking home the trophy!

Simultaneously, the campus was filled with laughter and joy during our Family Fun Day. Children and adults alike enjoyed a barbecue, inflatables, cotton candy, and snow cones, making for an unforgettable afternoon for our community.

FYHS STUDENTS PRESENT "NAMES, NOT NUMBERS®: A MOVIE IN THE MAKING" 2024

Fasman Yeshiva High School extends a heartfelt thank you to the 600+ attendees and sponsors who joined us for the FYHS "Names, Not Numbers" movie premiere on August 6th at the Holiday Inn North Shore in Skokie, IL. Yeshiva students, faculty, parents, survivors, and community members gathered to watch the personal stories of survival of Dr. Arthur Kohn, Motik Militsakh, Eva Ozarowski, Rena Quint, Israel Starck, and Joseph Wiesner, hearing about their lives before the war, as well as their experiences during and immediately following the Holocaust.

The "Names, Not Numbers®" program exposes students to first-hand experience with the filmmaking process, and under the direction of skilled advisors and professionals, prepares them for the interviews, and the necessary steps required for producing a meaningful documentary. During the school year, juniors and seniors worked with various professionals, including Holocaust experts, respected journalists, and a filmmaker on the production of "Names, Not Numbers®: A Movie in the Making." Thank you to our sponsors, attendees, and students for making this event possible!
